(d) Except as provided in subsections (e), (l), (r), and (s), a law enforcement officer appointed to a law enforcement department or agency after June 30, 1993, may not:

- (1) make an arrest;
- (2) conduct a search or a seizure of a person or property; or
- (3) carry a firearm;

unless the law enforcement officer successfully completes, at a board certified law enforcement academy or at a law enforcement training center under section 10.5 or 15.2 of this chapter, the basic training requirements established by the board under this chapter.

(e) This subsection does not apply to:

- (1) a gaming agent employed as a law enforcement officer by the Indiana gaming commission; or

(2) an:

- (A) attorney; or
- (B) investigator;

designated by the securities commissioner as a police officer of the state under IC 23-2-1-15(i) **(repealed)**.

Before a law enforcement officer appointed after June 30, 1993, completes the basic training requirements, the law enforcement officer may exercise the police powers described in subsection (d) if the officer successfully completes the pre-basic course established in subsection (f). Successful completion of the pre-basic course authorizes a law enforcement officer to exercise the police powers described in subsection (d) for one (1) year after the date the law enforcement officer is appointed.

(f) The board shall adopt rules under IC 4-22-2 to establish a pre-basic course for the purpose of training:

- (1) law enforcement officers;
- (2) police reserve officers (as described in IC 36-8-3-20); and
- (3) conservation reserve officers (as described in IC 14-9-8-27);

The pre-basic course must be offered on a periodic basis throughout the year at regional sites statewide. The pre-basic course must consist of at least forty (40) hours of course work. The board may prepare the classroom part of the pre-basic course using available technology in conjunction with live instruction. The board shall provide the course material, the instructors, and the facilities at the regional sites throughout the state that are used for the pre-basic course. In addition, the board may certify pre-basic courses that may be conducted by other public or private training entities, including postsecondary educational institutions.

C

(g) The board shall adopt rules under IC 4-22-2 to establish a mandatory inservice training program for police officers. After June 30, 1993, a law enforcement officer who has satisfactorily completed basic training and has been appointed to a law enforcement department or agency on either a full-time or part-time basis is not eligible for continued employment unless the officer satisfactorily completes the mandatory inservice training requirements established by rules adopted by the board. Inservice training must include training in interacting with persons with mental illness, addictive disorders, mental retardation, and developmental disabilities, to be provided by persons approved by the secretary of family and social services and the board, and training concerning human and sexual trafficking. The board may approve courses offered by other public or private training entities, including postsecondary educational institutions, as necessary in order to ensure the availability of an adequate number of inservice training programs. The board may waive an officer's inservice training requirements if the board determines that the officer's reason for lacking the required amount of inservice training hours is due to either of the following:

- (1) An emergency situation.
- (2) The unavailability of courses.

(h) The board shall also adopt rules establishing a town marshal basic training program, subject to the following:

- (1) The program must require fewer hours of instruction and class attendance and fewer courses of study than are required for the mandated basic training program.
- (2) Certain parts of the course materials may be studied by a candidate at the candidate's home in order to fulfill requirements of the program.
- (3) Law enforcement officers successfully completing the requirements of the program are eligible for appointment only in towns employing the town marshal system (IC 36-5-7) and having not more than one (1) marshal and two (2) deputies.
- (4) The limitation imposed by subdivision (3) does not apply to an officer who has successfully completed the mandated basic training program.
- (5) The time limitations imposed by subsections (b) and (c) for completing the training are also applicable to the town marshal basic training program.

(i) The board shall adopt rules under IC 4-22-2 to establish an executive training program. The executive training program must include training in the following areas:

**C

- (4) Discipline.
- (5) Department policy making.
- (6) Lawful use of force.
- (7) Department programs.
- (8) Emergency vehicle operation.
- (9) Cultural diversity.

(j) A police chief shall apply for admission to the executive training program within two (2) months of the date the police chief initially takes office. A police chief must successfully complete the executive training program within six (6) months of the date the police chief initially takes office. However, if space in the executive training program is not available at a time that will allow completion of the executive training program within six (6) months of the date the police chief initially takes office, the police chief must successfully complete the next available executive training program that is offered after the police chief initially takes office.

(k) A police chief who fails to comply with subsection (j) may not continue to serve as the police chief until completion of the executive training program. For the purposes of this subsection and subsection (j), "police chief" refers to:

- (1) the police chief of any city;
- (2) the police chief of any town having a metropolitan police department; and
- (3) the chief of a consolidated law enforcement department established under IC 36-3-1-5.1.

A town marshal is not considered to be a police chief for these purposes, but a town marshal may enroll in the executive training program.

(l) A fire investigator in the division of fire and building safety appointed after December 31, 1993, is required to comply with the basic training standards established under this chapter.

(m) The board shall adopt rules under IC 4-22-2 to establish a program to certify handgun safety courses, including courses offered in the private sector, that meet standards approved by the board for training probation officers in handgun safety as required by IC 11-13-1-3.5(3).

(n) The board shall adopt rules under IC 4-22-2 to establish a refresher course for an officer who:

as a law enforcement officer;

(2) has not been employed as a law enforcement officer for at least two (2) years and less than six (6) years before the officer is hired under subdivision (1) due to the officer's resignation or retirement; and

(3) completed at any time a basic training course certified by the board before the officer is hired under subdivision (1).

(o) The board shall adopt rules under IC 4-22-2 to establish a refresher course for an officer who:

(1) is hired by an Indiana law enforcement department or agency as a law enforcement officer;

(2) has not been employed as a law enforcement officer for at least six (6) years and less than ten (10) years before the officer is hired under subdivision (1) due to the officer's resignation or retirement;

(3) is hired under subdivision (1) in an upper level policymaking position; and

(4) completed at any time a basic training course certified by the board before the officer is hired under subdivision (1).

A refresher course established under this subsection may not exceed one hundred twenty (120) hours of course work. All credit hours received for successfully completing the police chief executive training program under subsection (i) shall be applied toward the refresher course credit hour requirements.

(p) Subject to subsection (q), an officer to whom subsection (n) or (o) applies must successfully complete the refresher course described in subsection (n) or (o) not later than six (6) months after the officer's date of hire, or the officer loses the officer's powers of:

(1) arrest;

(2) search; and

(3) seizure.

(q) A law enforcement officer who has worked as a law enforcement officer for less than twenty-five (25) years before being hired under subsection (n)(1) or (o)(1) is not eligible to attend the refresher course described in subsection (n) or (o) and must repeat the full basic training course to regain law enforcement powers. However, a law enforcement officer who has worked as a law enforcement officer for at least twenty-five (25) years before being hired under subsection (n)(1) or (o)(1) and who otherwise satisfies the requirements of subsection (n) or (o) is not required to repeat the full basic training course to regain law enforcement power but shall attend the refresher course described in subsection (n) or (o) and the pre-basic training course established

under subsection (f).

(r) This subsection applies only to a gaming agent employed as a law enforcement officer by the Indiana gaming commission. A gaming agent appointed after June 30, 2005, may exercise the police powers described in subsection (d) if:

- (1) the agent successfully completes the pre-basic course established in subsection (f); and
- (2) the agent successfully completes any other training courses established by the Indiana gaming commission in conjunction with the board.

(s) This subsection applies only to a securities enforcement officer designated as a law enforcement officer by the securities commissioner. A securities enforcement officer may exercise the police powers described in subsection (d) if:

- (1) the securities enforcement officer successfully completes the pre-basic course established in subsection (f); and
- (2) the securities enforcement officer successfully completes any other training courses established by the securities commissioner in conjunction with the board.

(t) As used in this section, "upper level policymaking position" refers to the following:

- (1) If the authorized size of the department or town marshal system is not more than ten (10) members, the term refers to the position held by the police chief or town marshal.
- (2) If the authorized size of the department or town marshal system is more than ten (10) members but less than fifty-one (51) members, the term refers to:
